## How to Do Bible Study

*You will not find the time. No one has "lost" time that can be found. We need to make time: Prioritize! Plan when and where. Start with a Gospel or other NT book. Do a few verses each day. Begin with prayer.*

1. Read/listen to a Bible selection
2. Ask "What does this mean?" (+context)
3. Ask "What here shows me my sins and makes me tremble?" (Law)
4. Ask "What here shows me my salvation and makes me rejoice?" (Gospel)
5. Ask "What now do I want to pray?"

*Consider - Matthew 4:4; Luke 10:41,42; Luke 11:28; John 15:4-6; John 20:31; Romans 15:4; 2 Timothy 3:14-17; Hebrews 10:23-25; 1 Peter 2:2; 1 Peter 3:15; Colossians 3:16*
