WHAT'S HAPPENING AT CHURCH/SCHOOL?

Sunday Bible School 2018-19 Studies

Bible class and Sunday School between services have started up again. YOU are invited! Come to hear more about what our Savior has done for us. Come to get your questions answered. Come to have your faith strengthened. Come to enjoy fellowship with your church family. Come to see if Pastor Free knows his stuff! Pastor Free will be continuing our study of Christian doctrine and other exciting Bible topics, with plenty of opportunities for discussion and answering questions. Everybody is welcome to join us!

8-12th grade – Mr. David Schwalenberg will be teaching this age group and will approach topics similar to the past year. If you enjoy engaging in teen topics and having a Christian perspective and Christ centered discussion around the myriad of subjects challenging teens today, this is a great opportunity to do so.

4-7th grade – Mr. Tony Grant will be teaching this age group utilizing many of the DVD enhanced studies you see pictured above. Answers in Genesis is the main source of materials for these courses as we study and delve into the many fallacies that modern "science" presents as truth today and how it attacks the traditional Christian worldview that many of us grew up with and know as truth. Each Sunday will begin with a 10-15 minute opening monologue on the Old Testament reading for that Sunday in church sometimes pairing with Pastor's sermon text with the People's Bible and Franzmann commentaries offering additional insight to our Sunday's readings.

K-3rd grade – Mrs. Barbara Grant will be teaching this age group. She will be using Concordia Publishing House Sunday School curriculum and will be going through the OT this year with her students beginning with the creation account in Genesis. She will also utilize some DVD support when appropriate to give students who learn visually this added learning tool.

3K & 4K – Mrs. Donna Hann will be teaching this age group.

*****School Activities/Sports Photographer(s) and YEARBOOK EDITOR-IN-CHIEF NEEDED!** We **NEED** a parent (or team of parents) that would be willing to make sure photographs are taken of our school sports teams and the variety of organized activities throughout the school year **AND work with LifeTouch to set-up/edit our yearbook.** Mrs. Gwen Mertz served in this capacity the past several years, and she is still willing to be available to help our 'new' yearbook editor get everything rolling. If you are willing/interested in helping in this capacity, please stop in the school office and speak to Mrs. Krogmann SOON! Thank you!

Concessions Help Needed for Eberts! St. Paul's is raising funds for PTO, Pioneers, daycare and early childhood center, and other school needs by selling concessions at Ebert's Greenhouse in Ixonia on **Saturday and Sunday, September 29 and 30, and Saturday and Sunday, October 6th and 7th.** Watch for an email from hbchristian@msn.com and sign up for a shift or donate items! Please sign up as soon as possible and have all donated items to school by the end of the school day on Friday, September 28 and again on Friday, October 5. You can call or text Holly Christian at 414-491-3534 or email hbchristian@msn.com with questions. Thanks! Everyone's help is greatly appreciated!

Current Immunization Records AND Sports Physicals Needed on File: Many of you have turned these documents into the school office but we are still missing as many. Please make sure you have printed off/turned in to Mrs. Krogmann a current/updated copy of your child's immunization records no later than October 1, 2018. For all incoming Kindergarteners, 1st year (& every **other** year after) athletes and students 'new' to St. Paul's ~ we are required to have a copy of your most recent physical (AFTER April 1, 2018) in your permanent record here at school. Any questions? Please contact Mrs. Krogmann in the school office for help! Thank you for your help/cooperation!

Extra yearbooks for the 2017-2018 are still available! IF you did not originally order a yearbook or would like an additional copy, please stop in the school office to purchase one. Mrs. Krogmann has several extra copies available at the original cost of \$16.50 each. Checks should be made payable to: St. Paul's Lutheran School.
