KIDS HELPING KIDS

Feeding Jesus' Lambs

in Nepal

kids c.a.r.e.!

kids care about
reaching
everyone with
the gospel

Dear Families,

kids c.a.r.e. really is just that, *kids helping kids*.

Your child is learning about Jesus - and through the **kids c.a.r.e.** program, your child is learning ways that he/she can help other children learn about Jesus too. The letters in "**c.a.r.e.**" stand for "care about reaching everyone with the gospel".

This program of the Lutheran Women's Missionary Society, gives children the chance to be a part of the important work of sharing the good news about Jesus with other children who don't know him or want to know him better. Since 2005, children, motivated by the love of Jesus the Savior, have helped share the gospel message with children in North America and around the world.

The kids c.a.r.e. offerings received between now and May 2018, will support the **Feeding Jesus' Lambs in Nepal** project. Nepal is the poorest country in Asia. More than half of the children are malnourished. Christians are a tiny minority in the country and often face opposition. We see an opportunity to provide food for the body and food for the soul through this kids c.a.r.e. project

Dear Jesus, It's hard to imagine children not having enough food to eat and not being able to learn about you. Help me to share what I have so that Christian children in Nepal will have a Sunday school where they will receive food for their bodies and souls. Amen

You Can Make a Difference at Home

Here are some ways that you can support this kids c.a.r.e. project at home:

- Take time to listen and talk with your child about the lessons, projects, songs, games, and activities that he/she has been learning through kids c.a.r.e.
- Help your child realize that he/she has an important role in sharing the love of Jesus with other children and families who may not know Jesus or want to know him better.
- Keep a kids c.a.r.e. mission box or container visible for collecting coins, and encourage your child to share his/her offerings as a way of showing thanks for blessings God has given him/her.
- Pray for the Christians in Nepal as they work hard to survive and as they face challenges to their faith.
- Pray that families and children grow in faith as they learn about Jesus through Feeding Jesus' Lambs programs, and pray for their faithful teachers.
- With your child, please pray for the children in Nepal.

Thank you for supporting the **Feeding Jesus' Lambs in Nepal** project through kids c.a.r.e. and for supporting your child's efforts to share Jesus with other children in Nepal.
